Concordia University of Edmonton Faculty Association  
Via e-mail: [cueassociation@gmail.com](mailto:cueassociation@gmail.com)

To the Concordia University of Edmonton Faculty Association,

The Alberta Colleges and Institutes Faculties Association (ACIFA) wishes to extend a message of support to our colleagues in CUEFA following your successful strike vote.

We stand with you on your position to ensure that post-secondary education in Alberta protects faculty careers, as well as the students' educational pursuits and the institution's reputation. It is imperative that we stand together against management and government mandates for concessions, wage rollbacks, and cuts at our institutions.

In the unfortunate event of a work stoppage or other strike action, all CUEFA members can be assured that ACIFA will stand with you in your job action endeavor.

In solidarity,

Ken Heather, President
